Brokaw Bros.' Elegant Clothes

EARLY SPRING.

Oh, No 25 Per Cent Discount on Them, Oh, No,

—BECAUSE—

WILLOUGHBY & HILL

Have concluded to substitute their store). Gentlemen, the Clothing we offer to you cannot be discounted (and it don't have to be.) If Clothing-dealers conclude to substitute and paint up a little, move around their counters, etc., they make it the very "only" excuse to mark down Clothes they have not been able to sell (at their prices) 25 per cent and 50 per cent (some of them say).

WILLOUGHBY & HILL

How unlike the custom of all those people that have been paying them "Eastern" branch Clothiers

25 Per Cent and 50 Per Cent Too Much.

No firm can make such a discount without first making prices for that purpose; therefore, beware of such prices; they will get the best of you in the long run. They are run by managers; the owners cross their legs in luxury in Philadelphia, New York, and Boston; they don't even pay the bank in Chicago; they are as earthly good to Chicago, and as many pen leaves in their shoes will ever be seen in Chicago again. "I. K." H. H.

WILLOUGHBY & HILL

Live in Chicago, and hereby challenge any firm on the face of this earth to show any power to "buy" goods for less than WILLOUGHBY & HILL, or to show any "reason" "why" they can undersell WILLOUGHBY & HILL, when they have the same goods to sell.

"Brokaw Bros." no one but WILLOUGHBY & HILL can sell the Brokaw Clothes, and every Tailor or a Clothing dealer (outside of Chicago) will tell you that there are no Clothes like the Brokaw Bros.' There are not today three merchant tailors in Chicago that can equal Brokaw Bros.' Clothes. All these statements can be proved corners of Clark and Madison-sts, and we believe there is more truth in this "column" than in any other in this newspaper, advertising or any "other matter." THE HUB

Opened at 236, 238, and 240 State-st. April 27, 1857—today and a year to celebrate, and we occupy 3 Stores—232 and 234 having been lately added. Have you ever heard of any house in Chicago growing faster than The Hub? Unequaled qualities, stylish and well-made Garments have given us a reputation for superior SMART-MADE CLOTHING, but the important factor that has finished up business inside of one year, and which must certainly add to make The Hub the leading Clothing House of the Northwest, is BY SELLING THE BETTER GRADE OF GOODS AT PRICES HITHERTO REGARDED FOR INFERIOR QUALITIES, and it shall be our constant aim to prove to you, whenever you will be pleased to favor us with a visit, that the Boys doing Clothing can be purchased of The Hub at a saving to you nine-of-ten \$3 to \$7 on every Suit or Overcoat bought of us.

Spring Overcoats!

Every city has its drawbacks, and the greatest of these in Chicago is the almost obstinate necessity of wearing a Spring Overcoat. Every material is represented in this, the largest and best equipped of our many Departments, patterned after the latest imported garments. Every new and desirable weave, all and every man's fancy taste, there is here in mind we can please—extra stout ones, for we have Overcoats to fit large or small men, as well as those who are neither.

The value comes to bear on our store in their advantage style in which it is wearing itself legal value for cash in the Western country.

All and \$5 to qualities are made from double fabrics and look as well as those other stores charge \$10 for.

\$7.50 and \$10 we offer Overcoats, every bone with silk which equal qualities you will surely purchase, for they are real \$15 qualities.

DO YOU WEAR OUR

\$13

MEDIUM SPRING OVERCOATS

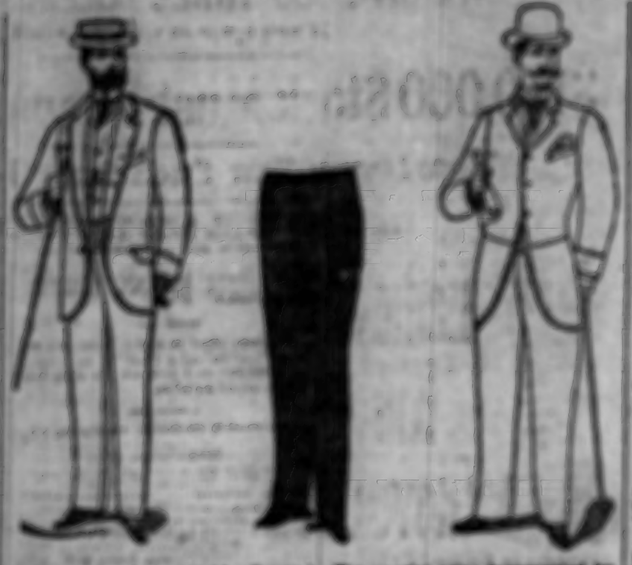
Lined all through with Silk?

They are the talk and envy of all other dealers, who cannot duplicate them under \$15.

If you want the finest grades that have ever produced in Kersey, Cheviots, Cassimeres, Worsteds, Diagonals, Cashmeres, &c., with corresponding prices, and which are sold, from Kersey and worsted of the Cutter's art, from \$25 to \$30, you will not be disturbed with an assortment at The Hub store.

The Hub,

STATE AND JACKSON STREETS.



What we have said of our fine Spring Overcoats may be aptly applied to our fine Tailor-Made Suits, for no merchant tailor in Chicago who charges \$40 to \$50 can give you any better value or handsomer and more stylish fitting suits than the ones we offer at \$15 to \$20.

Put the choice of all in a Black or Blue Worsted Suit, sack or frock, trimmed with a good serge and the fashionable waistband, also several lines of all-wool Cassimere Suits, unexcelled in buying at \$10—but The Hub, the great low-price straight prices, gives you your choice of these all-think at it—only \$7.50.

The Hub,

STATE AND JACKSON STREETS.

The special sales inaugurated by us in the Pants Department has taken by storm and our competitors are now given us the regret some the shy one heart of to that fact.

Considering the qualities we are giving for the prices asked, such as no other house has ever attempted, there's nothing left to guess at our ability to give an excellent pair of pants at prices defying competition and meeting with unbounded and popular recognition.

Our house is the only one in Chicago that can give you a worthy all-wool pair of Pants for \$3 that will outwear the one that has cost a dollar more.

Our mixed cassimere Pants \$2 to \$3 are worthy of the investor's art, and we give a magnificent line in Cheviots, Cassimeres, and Worsteds, in all the fashionable stripes and mixed effects.

The Hub,

STATE AND JACKSON STREETS.

Boys' and Children's Dept.

OCCUPIES TWO FULL STORES, DIRECTLY OPPOSITE, AND IN ADVANCE OF ANY OTHER IN THE CITY—WE EXCEPT NONE.

You have to come to climb our stairways to enter to and we have an account of space specially devoted to the needs of the Juvenile wear which will surely command your attention and interest, we trust, your kindly patronage.

In our new and commodious Children's Department, on the second floor, will have control of the Department of our business and will pay special attention to the wants of our lady patrons.

You can obtain good suits from us for \$2.50, \$3.50, \$4.50, \$5.50, \$6.50, to \$8.50, which you will readily appreciate, and in buying right here—under our guarantee.

If you want suits somewhat better, a magnificent selection you will see us to entertain and choice of these for \$5.50, \$6.50, \$7.50, \$8.50, \$9.50, \$10.50, \$11.50, \$12.50, \$13.50, \$14.50, \$15.50, \$16.50, \$17.50, \$18.50, \$19.50, \$20.50, \$21.50, \$22.50, \$23.50, \$24.50, \$25.50, \$26.50, \$27.50, \$28.50, \$29.50, \$30.50, \$31.50, \$32.50, \$33.50, \$34.50, \$35.50, \$36.50, \$37.50, \$38.50, \$39.50, \$40.50, \$41.50, \$42.50, \$43.50, \$44.50,

The Tobey Furniture Co.

We open on MONDAY, April 2, at our new and commodious quarters--having a frontage of one hundred and twenty feet on Wabash-av., cor. Washington-st.--with a magnificent display of New and Fashionable Furniture, Curtains, and Drapery.

With expenses largely decreased--rent reduced nearly one-half--with several thousand more square feet of room, and greatly increased facilities, we will do business on ONE-HALF OUR FORMER MARGINS, and have, therefore, decided on a RADICAL CHANGE in PRICES. We have determined to sell at a smaller percentage than has ever been attempted by any Furniture House.

While the volume of business during our late closing sale was unprecedented in the annals of the trade, our stock was so immense and time so limited that a portion of the goods were unsold. These have been transferred to our new building and will be sold at the prices marked on them during the sale.

One price absolutely. Everything marked in plain figures.

EDGEWATER

A delightful and healthy suburb on the shores of Lake Michigan, 9 miles north of Lincoln Park, reached by Evanston Division of C., M. & St. P. R. R.

Houses Open and Ready for Inspection!

Have You Visited This Wonderful Suburb?

IF YOU HAVE you need not read the description. For the benefit of those who have not had this privilege we give a brief description of THE ONLY ELECTRIC LIGHTED SUBURB OF CHICAGO.

The houses are Queen Anne and Colonial, built in modern designs. The interiors are finished in the most elegant manner and arranged for comfort and convenience, and no expense spared to make them PERFECT.

The Edison Incandescent Electric Light has been introduced in the houses and streets.

The dwellings have lights to all the rooms, halls, cellars, and attics, and are arranged that they can be regulated to use one of more lights by the use of a switch.

A few houses will be sold at cost, and the ground of a price that makes it the cheapest choice residence property in Cook County. Lots sold to those who prefer to build. All residents of Edgewater own their own homes.

REMEMBER—No assessments to pay at Edgewater, no street improvement to make and residents have all the conveniences found in Chicago.

AN AGENT CAN BE FOUND AT THE STATION AT ALL TIMES TO SHOW THE HOUSES. Call at my office and morning at 10:40 and I will be pleased to take you to Edgewater.

Full particulars given and plans of House shown on application to the proprietor,
